CHEMRAWN XXII E-Waste in Africa Conference
&

44th Annual International Conference
of The Chemical Society of Nigeria

YARD 158, OREGUN, LAGOS-NIGERIA | 7-11 NOVEMBER 2021

HYBRID EVENT: VIRTUAL/LIMITED-IN-PERSON

CHEMRAWN a Committee of IUPAC in conjunction with the Chemical Society of Nigeria are pleased to announce CHEMRAWN XXII E-Waste In Africa Conference in conjunction with 44th Annual International Conference of the Chemical Society of Nigeria (AIC), scheduled to hold from 7 -11 November 2021 at Yard 158, Oregun, Lagos, Nigeria.

Theme: "Global Electrical & Electronic Waste: Health Hazards For Africa".

Sub themes: Health Implications, Management, Recycling, Disposal, And Economics

The IUPAC CHEMRAWN committee in pursuit of her global objective of applying chemical research to world needs has chosen to address the issue of E-Waste dumping in Africa at a conference in Lagos, Nigeria. The conference shall provide a platform to share research and contributions that are aimed at proffering solutions for better E-waste handling and to eliminate illegal dumping of such waste, particularly in Africa. The conference will consist of lectures, short courses, poster and technical sessions, situation reports from other parts of Africa, an exhibition, and discussions of future actions, in addition to a field trip to dump sites.

We hereby invite submissions of technical paper proposals in the following categories for the technical sessions:

1. Health implications of E-Waste
2. Management of E-Waste
3. Recycling of E-Waste
4. Disposal of E-Waste
5. E-Waste to wealth opportunities
6. Policy aspects of E-waste
7. Challenges in E-waste policies formulation, implementation, and regulation
8. Global chemical security, biosafety and toxicity
9. Organic, medicinal and natural products chemistry
10. Biotechnology, industrial and polymer chemistry
11. Nuclear and inorganic chemistry
12. Physical and computational chemistry
13. General and chemistry education.
14. Pharmaceutical, analytical, and environmental chemistry
15. Nano technology
16. Material Chemistry
17. Economics of secularity enhancement in E-waste management

Deadlines:

- Site Opens for Submission of Abstracts: April 23, 2021
- Deadline for Submission of Abstracts: June 23, 2021
- Notification of accepted Abstracts: July 1, 2021
